SYSTEM CONTROL

The Ion™ System Control puts you in command of premium comfort by unlocking the full potential of your Heil® communicating variable-speed home comfort system. The Ion System Control combines advanced touchscreen performance with the convenience of remote access via Wi-Fi®. Add an Ion Zoning System* to control your comfort room-by-room throughout your home. It's never been simpler or more convenient to enjoy maximum performance and energy savings.

*Ion Zoning System is only available with Heil® communicating, modulating gas furnaces and communicating, variable-speed fan coils when connected to the Ion System Control.

Wi-Fi® is a registered trademark of the Wi-Fi Alliance Corporation.
